Dear Peter,

Re: Review of Workloads in ASC Schools in Western Australia - Policy 2016

During the negotiations that led to the approval by the Fair Work Commission of the *Anglican Schools Commission Incorporated Western Australian Agreement 2019* (the EBA) it was agreed that the above named policy is to be reviewed.

Subclause 10.12.2 of the EBA states that *'The parties agree to review the 2016 Workloads Policy during the life of this Agreement'*

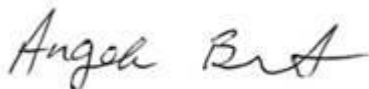

The review date noted on the Policy itself is August 2019; it is now an opportune time for the Policy review to commence.

IEU members have requested that the review of the 2016 Workloads Policy commence and proceed as soon as possible.

Can you please get back to the IEU and let us know ASC's availability to meet and discuss the process and time frame for the review. It is envisaged that at least two IEU teacher members and an IEU Industrial Offer will participate.

We look forward to working with ASC during the Policy review.

Yours sincerely,

Ms Angela Briant
General Secretary
